The Homeownership Preservation Program (HOPP) helps homeowners who need critical improvements to their home to keep it safe and/or accessible. The program is financed by DHCD with American Rescue Plan Act (ARPA) funds. Habitat for Humanity-Metro Maryland, a DHCD community partner, administers the program for residents.

HOPP is a grant program that provides home improvement repairs and renovations at no cost to the homeowner. Example of the types of repairs that can be made with the HOPP program include:

- Roof, Siding and Gutter Repair/Replacement; Accessible Modifications;
- Electrical/Plumbing/HVAC Repairs/Replacement; Insulation and Air Sealing; and more
