

*“Sow your seeds on fertile soil and after many days you will find it!”*

April 8, 2026

To Wonderful Friends, Supporters and Advocates:

This letter is *“filled to the brim”* with a load of hugs and thanks for everything you have done in making this such an outstanding coalition! For over thirty years you have been steadfast and unmovable in helping to make things happen which has moved our communities upward and onward. You have displayed your unselfish spirit in so many ways. Remember, we are the only coalition of its kind in the Metropolitan area. Only a *“Wonderful and Just Supreme Being”* who controls the weather and air we breathe could make this happen!

Our next breakfast meeting will convene on **Monday, April 27<sup>th</sup>, 2026**, at **9:00 a.m.** at St. Margaret’s Catholic Church, 410 Addison Road, South, Capitol Heights, Maryland 20743. We look forward to updates from our Law Enforcement, state and other agencies. We will receive a special presentation from our Fire Department, utility companies, Workforce Development, and the project at the intersection of Central Avenue and Addison Road.

Our goal is clear and focused. We want the best and brightest for where we live. As you can see in these times, we must work and pray together, and we must know who *“Really Has the Plan!”* **The Best is yet to come!** If there is something which should be brought to my attention, please call our office at (410) 841-3148 *or* email: [joanne.benson@senate.state.md.us](mailto:joanne.benson@senate.state.md.us).
